

Board2Board

Education Foundation Board Members

**A DAY DESIGNED SPECIFICALLY FOR
EDUCATION FOUNDATION BOARD MEMBERS
TO LEARN AND NETWORK.**

What are other education foundations doing? How are they doing it? How can I, as a board member, help my education foundation achieve

its mission? How do other education foundation boards function as a team? These are common questions board members ask themselves. Here is an opportunity to explore the answers to those questions by meeting board members from other foundations.

This day of learning and networking is open to education foundation board members, executive directors, staff, superintendents and trustees. Space is limited. Cost is \$45 per person which includes workshops, materials and lunch.
